Down to Earth

JANUARY 2020

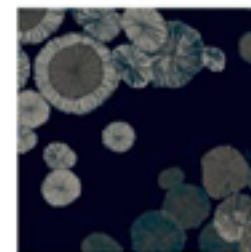

Sea-worn rocks and cliff sides. Fossil flowers and their soft-hued lustre. We soak our paint-brushes in colours we find here and in the earth's warming hues – terracottas, and indigo. Our prints mimic the preserved patterns we find, as smock silhouettes and jersey set an easy, romantic feel.

Spirit of Venice

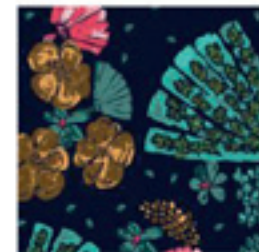

FEBRUARY 2020

Antiqued architecture continues the beautifully aged discoveries of our January journeys. We dip into Venetian painter Canaletto's portfolio and the Rococo movement for inspiration. Prints become homages to the locale's piazzas and 18th century art. Jacquards, stripes and colour blocking bring welcome modern edge.

Patron of Art

MARCH 2020

We borrow from Peggy Guggenheim's vibrant spirit. Paris, America, Venice... travelling and living life to the full. Think colour - khakis, pinks and purples - and dynamic, bold prints. And the introduction of new, more feminine silhouettes; tailored pieces, bias cuts and romantic sleeves. Quite the celebration of city living and ageless style.

Tuscan Studio

APRIL 2020

Tucked-away in an imaginary Florence workroom we find hand-crafted Majolica ceramics – vases, pots and tiles; the inspiration behind this collection's prints. Vivid blues and fresh lime bring colour to these easy-to-wear earthenware looks.
