WOMEN'S ACCESSORIES

Sea-worn rocks and cliff sides. Fossil flowers and their soft-hued lustre. We soak our paint-brushes in colours we find here and in the earth's warming hues – terracottas, and indigo. Our prints mimic the preserved patterns we find. Try the pieces our adventures have inspired. And don't miss the new slip dress in our much-loved bamboo jersey, plus a everyday essential – an reusable string bag.

WOMEN'S ACCESSORIES

We dip into Venetian painter Canaletto's portfolio and the Rococo movement for inspiration. Prints become homages to the locale's piazzas and 18th century art. Everything from sweeping shawls to a chic headscarf, and new nightwear nods to the palette and patterns of Venice.
